Re: U.S. v. Larry Carr  
11 Cr. 454 (ARR)

Dear Judge Ross:

This letter is sent to request that the above-referenced matter be adjourned until September 13, 2012. It is counsel's understanding that all medical testing/evaluating has been completed, however, as of this writing counsel has not received the materials which are *en route* from Georgia. It is counsel's hope/expectation that the parties will resolve this case, short of trial, before that date.

I have discussed this adjournment with Mr. Carr, who consents and waives any speedy trial calculation pending the completion of our discussions with government counsel. I have also discussed this further adjournment with AUSA Nguyen, who similarly has no objection.

Respectfully submitted,

*Susan G. Kellman*
